

McDonald Farms

14th Annual

'Pick of the Pen' Bull Sale

Saturday April 1, 2017 • 1:00 PM

"Our cows work for us; so our bulls will work for you."

70+ Bulls

3 PB Simmental • 64 SimAngus™ • 10 Angus

Welcome to the 14th Annual “Pick of the Pen” Bull Sale

On behalf of every one at McDonald Farms I would like to welcome you to our 14th Annual “PICK OF THE PEN” Bull Sale. This is the largest offering to date of our program and we are extremely proud of the Quality and Depth of Bulls in the Sale. I invite you to study these Stout, Rugged Bulls that are bred to work in Real World conditions. There are several outstanding outcross pedigree Sired Bulls in the sale and I encourage you give them due consideration as their siblings are working well in several Highly Recognized Herds around the Country.

Please feel free to contact me if you have any questions and come enjoy our Hospitality, Free Lunch and some Wonderful Blue Grass Music by the “Blankenships” on sale day. You can buy with confidence because

“Our Cows Work For Us; So Our Bulls Will Work For You”.

Sincerely,

Bill McDonald

McDonald Farms

We are in the Performance Advocate and THE with the ASA. We are also members of AGR.

ASA Performance

Advocate

Performance Advocates submit complete data on all calves

Performance Advocates are recognized annually in *the Register*

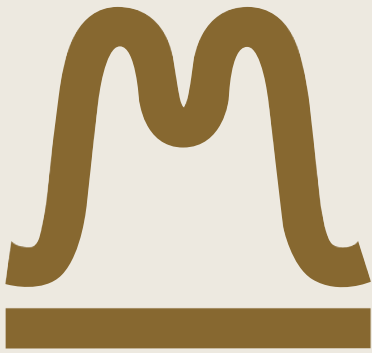

Performance Advocates gain the privilege of using the Performance Advocate logo

Whether you are a seedstock or commercial producer, ASA has a THE option that will fit your objectives and budget. ASA's THE dam inventory program has three different enrollment options available, making it easier than ever to find the best fit for your herd. By choosing one of the THE options, you will become part of the world's largest multi-breed genetic evaluation and database.

Allied Genetic Resources (Allied) was created to help you market your cattle more effectively, and thus have the greatest opportunity to achieve the goals for your operation. You are producing the right product, in the right way and you should be rewarded for that with more profits and more opportunities. We are excited about the opportunity to leverage the strength, size and scope of this group to provide improved marketing outlets for your cattle.

14th Annual McDonald Farms “Pick of the Pen” Bull Sale

Saturday, April 1, 2017 – 1:00 PM

McDonald Farms – Blacksburg, VA

We will offer 70+ bulls

Phone Numbers:

Farm 540-552-2520
Bill 540-230-6225

Schedule of Events: April 1, 2016

10:00 AM - Bulls on Display
12:00 PM - Complimentary Beef Lunch
1:00 PM - Sale Starts

Teleauction Phone Bidding:

Call Bill prior to sale to get a bidder number and telephone number to call Sale Day

Volume & Pickup Discounts:

Individuals or Neighbors can receive a \$50 discount for buying 2 or more bulls and receiving the bulls at the same time and/or \$50 discount for hauling their own bulls.

Sale Representatives:

Marty Ropp - Allied Genetic Resources
406-581-7835
Jimmy Holliman - Representing ASA
334-419-0112

Herd Health:

Herd Veterinarian - Dr. Jason R. Wall, DVM
BOLD SPRING VET SERVICE-540-921-1991

Dr. John Currin, Virginia/Maryland School of Veterinary Science,
Virginia Tech.

Ultrasound Technician - Dr. Andy Meadows,
SPRINGWOOD LIVESTOCK MANAGEMENT

The entire herd is on a complete vaccination program for 7-way clostridium, IBR-BVD-BRSV-PI3, Hamophilus Somnuns, Pasturella, Leptospirosis and Vibriosis. All females are calfhooed vaccinated for brucellosis. All animals are treated twice annually with dewormer pour-on. Every bull has passed a breeding soundness exam and semen test. All bulls tested BVD PI free. All Bulls are AM & NH free by pedigree or DNA test.

All Simmental and SimAngus bulls are homozygous black. Several years ago we tested all our cows and have tested all subsequent offspring until we have only homozygous black females and use only homozygous black sires.

Cover photo by John Miller.

MCDF New River 499B was purchased at our 2015 sale by John Miller of J-C Simmentals in Michigan. The picture was taken as he was coming out of the breeding pasture last year when he was a 2 year old. He is a fine example of what properly developed young Bulls will grow into. Semen is available on him through the J-C Simmentals, McDonald Farms and ORlgen.

Semen Interest:

McDonald Farms will retain 1/2 interest in the semen rights including revenue sharing on all bulls. This in actuality will effect very few bulls. If need be, we will collect bulls at our expense and the buyers convenience. The Buyer has 100% possession and 100% salvage value.

Liability:

Owners, their agents, or anyone associated with the conduction of this sale will not be held responsible for any personal injury, loss, or accident while traveling to or from or while attending this sale.

Registration Certificates:

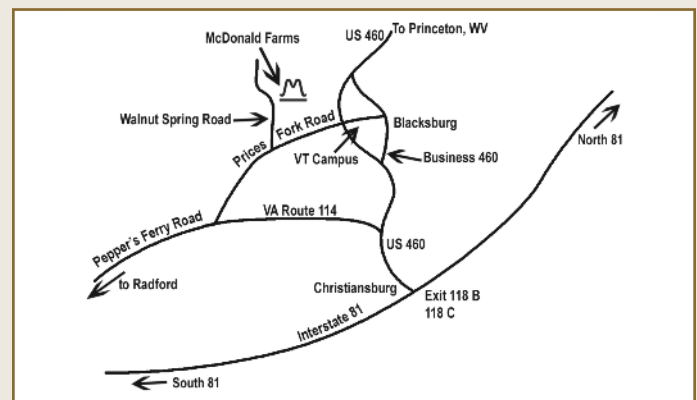

Registration certificates on all registered cattle will be transferred to the buyer at no additional expense to the buyer. Remember that EPDs update every six months and may change.

Directions:

From Interstate 81 take exit 118 C to 460 west follow until you reach Price's Fork exit to the right. Go 2.5 miles to where the 4 lanes combine to 2 lanes.

Look for Cox's Golf Driving Range on the right side and turn right onto Walnut Spring Road. Go .5 mile to sign on the right.

From the West take 460 east until you get to the Price's Fork Exit on the right and proceed as above.

2017 Pick of the Pen Bull Sale – 1

SALE INFORMATION

"PICK OF THE PEN" Sale Procedure

All cattle will be uniformly grouped in pens of approximately 4-8 head per pen. The sale cattle will remain in the pens throughout the sale or until ready for loading out. The auction will be conducted inside the shop, but there is no sale ring and no cattle will be brought inside. Each pen will be assigned a very conservative opening bid. We will auction the cattle one pen at a time. In order to start the bidding on a pen, someone must offer the opening bid price and then we auction to the highest bidder, who then has the option of selecting which or however many they desire from that pen at the winning bid price. We continue this procedure until the pen is empty or no one wants the opening bid. If any animals remain unsold in a pen, then we "Pass the Pen" and any remaining animals are available at the "opening bid price" at the settlement table on a first come first serve basis. Any remaining animals will be priced based on quality. None will be priced below their opening bid price.

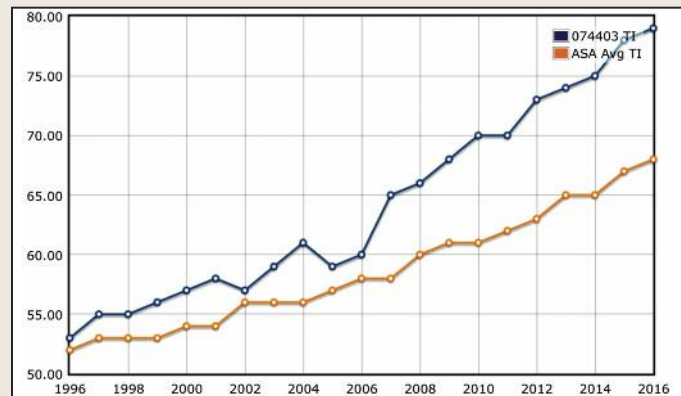

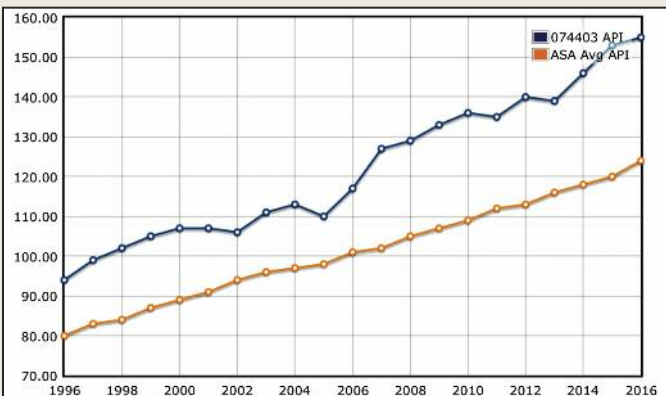

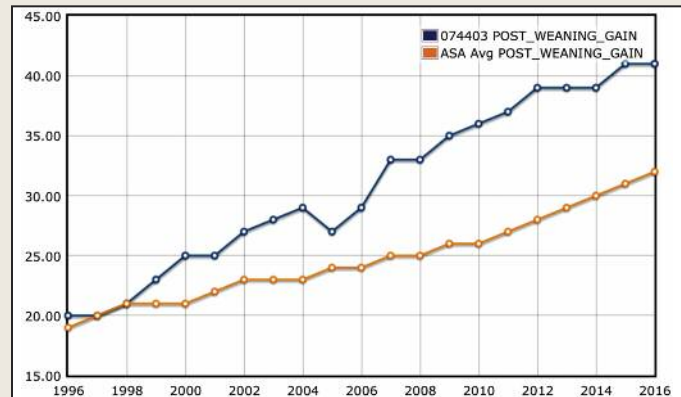

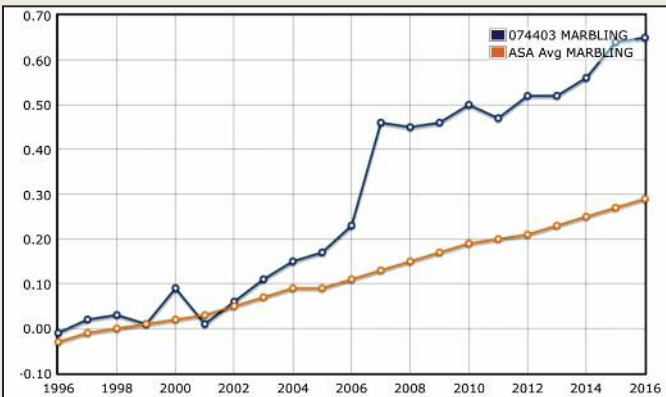

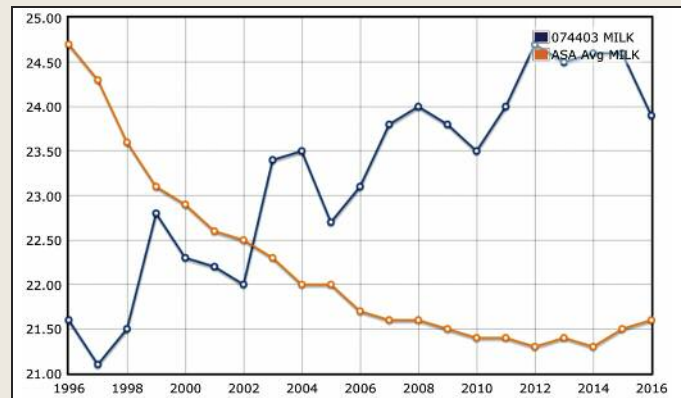

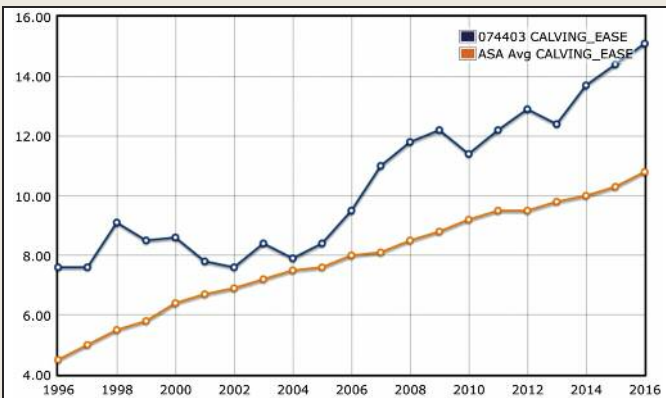

McDonald Farms Bull Management

We believe that the natural resource of forages in this area is our greatest asset when it comes to livestock production. We strive to produce cattle that can utilize this resource to optimal levels. We also know that our end product must meet or exceed the expectations of all our customers, from the commercial cattle producer, the feedlot operators, the packers and our ultimate customer the consumer.

We have selected these cattle for calving ease, growth performance, milking ability, carcass quality, and calm disposition. They have been performance tested on forage rations in big pastures. We want to produce Decathlons and not a Sumo wrestler.

They have been tested to be BVD-PI free, AMF/NHF/CAF, and ultrasounded. They have passed Breeding Soundness Exams and Semen tests. They are stout strong Bulls ready to go to work.

LET OUR FULL CIRCLE ALLIED TEAM WORK FOR YOU!

The power of Allied is defined most simply as the strength of its member owners and their base of important commercial bull and female customers. As the only beef genetics company focused squarely on improving both genetics and service for the commercial beef business we set our sights high planning and executing services that benefit the entire beef chain. Only when each individual in a system focuses on the success of their customers can the potential for that chain and its participants to share success be maximized. The owners of Allied provide value to their customers and their customer's customers everyday through sustained efforts to produce constantly improved and profitable genetics. Allied's charge is to assist with service options that add value to the improved genetics offered by its committed ownership. Shouldn't the highest reputation commercial beef producers who commit to using the most profitable genetics be rewarded for their efforts? We believe the obvious answer to that is yes!

By building industry partnerships, leveraging the size and scope of a reputation seedstock producing system and by taking advantage of great relationships, Allied is driving forward with value enhancing services for the future. Whether you have interest in our feeder calf and replacement female marketing solutions, the services available through the strategic partners of Allied, genetics consulting for a profitable future or our sale day professional seedstock purchasing options, give any of us on the Allied team a call or check us out at www.alliedgeneticresources.com. Today's wonderful profits will most certainly drive this industry through its greatest period of change in history. Let the professionals at Allied Genetic Resources and its network of reputation breeders help prepare you to be successful long into the future.
