These bulls have been selected for calving ease, performance, milk, carcass quality, and calm disposition. They have been performance tested on a forage ration in big fields. Tested to be BVD-PI free, AMF/NHF/CAF, and ultrasounded. They have passed Breeding Soundness Exams and Semen Tests. They are stout, strong bulls ready to go to work.

This year we have a guest consignor:

Jim and Kim McKenzie

196 Kimberlin Rd., Rural Retreat,, VA 24368

Ph: 276-620-8897
